Media Waiver and Release Form

history.ccflt@gmail.com

General Guidelines: It is recommended that a release be obtained when displaying photographs or videos. Signed release forms should be included with the video submission at the time of submission. If you have questions, please contact Lyanne Terada at: history.ccflt@gmail.com

I give Colorado Congress of Foreign Language Teachers permission to display my audio and/or video media on the CCFLT website and social media, put the video link in the CCFLT newsletter, and display/show it at the CCFLT Spring Conference. I understand that this activity is to help promote advocacy of World Languages and may be shared with local, state, and national politicians for that purpose.

I release all claims against CCFLT with respect to copyright ownership and publication including any claim for compensation related to use of the materials.
